TERMS AND CONDITIONS

Coverage Highlights

This certificate is non-transferable and valid only for the registered user listed on page 1.

Claims must be submitted exclusively through official Alchemy Pay support channels.

Insurance protection begins from the coverage start date and is valid until the end date specified.

Coverage applies to eligible activities performed via the Crown Bankers platform, including financial transactions, project participation, and account-based operations.

Insurance includes protection against unforeseen losses due to fraud, cyberattacks, mismanagement, or market instability.

The scope of coverage includes activities related to renewable energy ventures and international digital finance.

This document does not constitute a financial or investment advisory and is solely an insurance confirmation issued by Alchemy Pay.

Any amendments or claim resolutions are subject to Alchemy Pay's official policies and discretion.
